PVC GLOVE WITH ROUGH FINISHED PALM AND EXTENDED CUFF

Engineered for tough environments, this PVC glove features a rough-finished palm for superior grip in wet, dry, and oily conditions. The extended 13" gauntlet cuff offers added forearm protection while allowing for quick and easy on/off. A soft, flexible interlock knit liner ensures lasting comfort and helps reduce hand fatigue during long shifts. Ideal for handling petrochemicals, abrasive materials, and tasks involving oils, greases, and acids, it's a reliable choice for chemical processing, oil refining, industrial maintenance, and painting.

INDUSTRIES & APPLICATIONS

- Chemical Processing
- Oil Refining
- Petrochemical Refining
- Maintenance
- Industrial
- Construction
- Paint
- Abrasive Materials Coated with Oils, Grease and Acids

PRODUCT FEATURES

- Rough finished palm delivers excellent grip in wet, dry, and oily applications
- Extended gauntlet cuff enhances forearm protection and provides quick and effortless wearability
- Soft, flexible interlock knit liner delivers all-day comfort and reduces hand fatigue for extended wear
- 13" length provides extended protection

PVC GLOVE
